RE: COSTS AT PASCO SANITARY LANDFILL

Superfund Branch

Dear Ms. Cohen:

Attached is a copy of my February 20, 1987 letter and your response of March 19, 1987. On behalf of Mr. Dietrich, we still want to know how much money has been spent by EPA and its contractors on the Pasco site.

Sincerely,

John A. Zillich  
Waste Management and  
Environmental Specialist
